ArmyIgnited – Education Path

Once you have logged in, and verified your account information, you must now create an **“Education Path”**

The screenshot displays the ArmyIgnited web application interface. At the top, there is a navigation bar with links for 'Credential', 'Program Path', 'Find Ed Center', 'Support', and a user profile icon labeled 'Welco'. The main content area is partially obscured by a white modal window titled 'You must read and sign the Statement of Understanding in order to request Credentialing Assistance.' The modal contains the following text:

You must read and sign the Statement of Understanding in order to request Credentialing Assistance.

...any previously imposed... unless the Soldier is involuntarily separated by the Army. If approved for voluntary separation the Soldier will be required to reimburse the Army the amount of CA representing the unserved portion of the ADSO/RDSO.

5. For USAR and ARNG officers, the service requirement and any recoupment actions with the RDSO will be administered by the component's officer personnel management office.
6. Officers may not under any circumstances reimburse a vendor for CA funding to avoid a military service obligation.

7. AUTHORIZATION TO RELEASE ACADEMIC or CREDENTIALING INFORMATION:

By agreeing to this SOU, the Soldier grants permission for the Army to share his or her academic/credentialing information as needed between the U.S. Army, U.S Army contractors whose contracts include education services and programs, and participating educational institutions/training providers. Additionally, by agreeing to this SOU, the Soldier authorizes educational institutions/training providers to release and forward his or her education/training information to the Army. No information will be shared with any third party for marketing or solicitation purposes.

I AGREE TO THE ABOVE CONDITIONS FOR THE USE OF TUITION ASSISTANCE AND CREDENTIALING ASSISTANCE AS VERIFIED BY MY ELECTRONIC SIGNATURE BELOW.

Name: RYAN [REDACTED] Date: 09/01/2021

At the bottom right of the modal is an 'Agreed' button.

In the background, the interface shows progress indicators for 'Undergraduate Hours' (0 / 130 Semester Hours) and 'Semester Hours' (0 / 16 Semester Hours). The background also features a stylized illustration of a robotic arm and a microscope.
