About MHEC

- Midwestern Higher Education Compact (MHEC) was legislatively created in 1991 and serves the Midwest census region (12 states)
- MHEC brings together leaders from midwestern states to develop and support best practices, collaborative efforts, and cost-sharing opportunities. Through these efforts it works to ensure strong, equitable postsecondary educational opportunities and outcomes for all.

Instructions

1. Complete the following college | university information (lines 11-16), place and "X" if you have zero MSEP commitments to report (line 16), place an "X" if your institution has nondifferential tuition rates for undergraduate programs (line 16) and/or graduate programs (line 17). For nondifferential tuition we mean that no matter where the student comes from they receive the same tuition rate as students who are state residents. Provide information for whom MHEC should contact with any data questions (lines 19-20).
2. Use the terms in the data dictionary to ensure complete and accurate data (Tab 2).
3. Query your student information system for MSEP participating students who are enrolled for the fall 2023 term, including students who attended college in the prior semester sessions, or of your institution's census date and place this on the data entry sheet (Tab 3).
