\$32.23M
FY24 Savings

20+
Contracts

\$358.13M
Tech Sales

What do we 100% know?

Do we know the value our campus places on staff and services?

Do we have certainty of our institutional data?

How do we feel about our cybersecurity environment?

Do we know what our staff are feeling for the New Year?

Is Your Tech Being Utilized?

M365

99.96% using less than
their allocated storage

LMS

99% institutions
85% faculty
83% students

ERP

60% - 70% features
utilized

- *AI?*
- *Blue Light Phones?*
- *SmartBoards?*

How well do you know your services?

What strategies do we use for assessing?

Services inventory review?

What usage data are you collecting to use?

How do you connect with staff and stakeholders?

How do we engage staff and campus?

How are staff and campus stakeholders utilized?

What are challenges for engaging with staff and campus?

How can we more regularly connect with staff and campus?

What is your relationships outside?

What is your relationship with your vendors?

How do you utilize them?

Are there some that you can trust?

Closing Thoughts

Hidden Gems: zero value or priceless

Identify a group to talk to for ideas, reality check

Focus on opportunities – keep, decommission, expand

Engage with your staff and other stakeholders authentically
