

End User Computing &  
Peripherals, Device Lifecycle Management  
Solutions, and Associated Services  
MHEC-RFP-10282021  
Amendment #1  
November 17, 2021

The purpose of this Amendment is to present changes to the End User Computing & Peripherals, Device Lifecycle Management, and Associated Services MHEC-RFP-10282021 dated October 28, 2012. All other terms and conditions of the original RFP are unchanged. Please check MHEC's public website at <http://mhec.org/news> daily. Contact Nathan Sorensen at [nathans@mhec.org](mailto:nathans@mhec.org) for questions concerning this Amendment and RFP.

Whereas the following sections are amended as follows (new information **bold-underlined**, deleted information is ~~strikethrough~~):

#### A.8 PROPOSAL TIMELINE

The following section describes the proposal timeline of events related to this multi-stage Request for Proposal (RFP). Due dates are as indicated unless otherwise changed by MHEC. In the event MHEC finds it necessary to change any of the dates or events listed in this table, it will do so by issuing a written statement or an amendment to the RFP and publicly post the notice at <http://www.mhec.org/news>.
