Any amounts that were the subject of a Dispute Notice and are subsequently resolved in favor of Supplier will be subject to interest charges accruing from the original due date.
- E. **Partial Shipment.** In the event an order is shipped incomplete (partial), the Procuring Eligible Organization must pay for each shipment as invoiced by Supplier unless the Procuring Eligible Organization has clearly specified "No Partial Shipment" on each purchase order.

Failure of the Supplier to adhere to delivery schedules as specified or to promptly replace defective product shall render the Supplier liable for all costs in excess of the contract price when alternate procurement is necessary. Suppliers acknowledge that all locations of any particular Eligible Organization may not be within the MHEC region.
- B. If deliveries prove to be unsatisfactory, or other problems arise, MHEC reserves the right to delete Product or Services from the Master Agreement and/or cancel Master Agreement. Similarly, if deliveries prove to be unsatisfactory or other problems arise under the agreement for a Procuring Eligible Organization, the Procuring Eligible Organization retains all of its remedies for a default. Failure of MHEC or the Procuring Eligible Organization to exercise its rights of termination for cause or other remedies for default due to a Supplier's failure to perform as required in any instance shall not constitute a waiver of termination rights or other default remedies in any other instance.

This Master Lease Agreement (this "Agreement"), effective as of the Effective Date set forth above, is between the Lessor and Lessee named above. Capitalized terms have the meaning set forth in this Agreement.

1. LEASE.

(a) Lessor hereby leases to Lessee and Lessee hereby leases the equipment ("Products"), Software (defined below), and services or fees, where applicable, as described in any lease schedule ("Schedule"). Each Schedule shall incorporate by reference the terms and conditions of this Agreement and contain such other terms as are agreed to by Lessee and Lessor. Each Schedule shall constitute a separate lease of Products ("Lease"). In the event of any conflict between the terms of a Schedule and the terms of this Agreement, the terms of the Schedule shall prevail. Lessor reserves all rights to the Products not specifically granted to Lessee in this Agreement or in a Schedule. Execution of this Agreement does not create an obligation of either party to lease to or from the other.

2. ACCEPTANCE DATE; SCHEDULE.

(a) Subject to any right of return provided by the Product seller ("Seller") named on the Schedule, Products are deemed to have been irrevocably accepted by Lessee upon delivery to Lessee's ship to location ("Acceptance Date"). Lessee shall be solely responsible for unpacking, inspecting and installing the Products.

(b) Lessor shall deliver to Lessee a Schedule for Products. Lessee agrees to sign or otherwise authenticate (as defined under the Uniform Commercial Code, "UCC") and return each Schedule by the later of the Acceptance Date or five (5) days after Lessee receives a Schedule from Lessor. If the Schedule is not signed or otherwise authenticated by Lessee within the time provided in the prior sentence, then upon written notice from Lessor and Lessee's failure to cure within five (5) days of such notice, Lessor may require the Lessee to purchase the Products by paying the Product Cost charged by the Seller, plus any shipping charges, Taxes or Duties (defined below) and interest at the Overdue Rate accruing from the date the Products are shipped through the date of payment. If Lessee returns any leased Products in accordance with the Seller's return policy, it will notify Lessor. When Lessor receives a credit from the Seller for the returned Product, the Schedule will be deemed amended to reflect the return of the Product and Lessor will adjust its billing records and Lessee's invoice for the applicable Lease. In addition, Lessee and Lessor agree that a signed Schedule may be amended by written notice from Lessor to Lessee provided such notice is (i) to correct the serial (or service tag) number of Products or (ii) to adjust the related Rent (defined below) on the Schedule (any increase up to 15% or any decrease) caused by any change made by Lessee in Lessee's order with the Seller.

3. TERM.

The initial term (the "Primary Term") for each Lease shall begin on the date set forth on the Schedule as the Commencement Date (the

"Commencement Date"). The period beginning on the Acceptance Date and ending on the last day of the Primary Term, together with any renewals or extensions thereof, is defined as the "Lease Term. The Lease is non-cancelable by Lessee, except as expressly provided in Section 5.

4. RENT; TAXES; PAYMENT OBLIGATION.

(a) The rental payment amount ("Rent"), and the payment period for each installment of Rent ("Payment Period") shall be stated in the Schedule. A prorated portion of Rent calculated based on a 30-day month, 90-day quarter or 360-day year (as appropriate) for the period from the Acceptance Date to the Commencement Date shall be added to the first payment of Rent. All Rent and other amounts due and payable under this Agreement or any Schedule shall be paid to Lessor in lawful funds of the United States of America at the payment address for Lessor set forth above or at such other address as Lessor may designate in writing from time to time. Whenever Rent and other amounts payable under a Lease are not paid when due, Lessee shall pay interest on such amounts at a rate equal to the lesser of 1% per month or the highest such rate permitted by applicable law ("Overdue Rate"). Rent shall be due and payable whether or not Lessee has received an invoice showing such Rent is due. Late charges and reasonable attorney's fees necessary to recover Rent and other amounts owed hereunder are considered an integral part of this Agreement.

(b) EACH LEASE SHALL BE A NET LEASE. In addition to Rent, Lessee shall pay sales, use, excise, purchase, property, added value or other taxes, fees, levies or assessments lawfully assessed or levied against Lessor or with respect to the Products and the Lease ("collectively "Taxes"), and customs, duties or surcharges on imports or exports (collectively, "Duties"), plus all expenses incurred in connection with Lessor's purchase and Lessee's use of the Products, including but not limited to shipment, delivery, installation, and insurance. Unless Lessee provides Lessor with a tax exemption certificate acceptable to the relevant taxing authority prior to Lessor's payment of such Taxes, Lessee shall pay to Lessor all Taxes and Duties upon demand by Lessor. Lessor may, at its option, invoice Lessee for estimated personal property tax with the Rent Payment. Lessee shall pay all utility and other charges incurred in the use and maintenance of the Products.

(c) EXCEPT AS EXPRESSLY PROVIDED IN SECTION 5, LESSEE'S OBLIGATION TO PAY ALL RENT AND OTHER AMOUNTS WHEN DUE AND TO OTHERWISE PERFORM AS REQUIRED UNDER THIS AGREEMENT AND EACH SCHEDULE SHALL BE ABSOLUTE AND UNCONDITIONAL, AND SHALL NOT BE SUBJECT TO ANY ABATEMENT, REDUCTION, SET-OFF, DEFENSE, COUNTERCLAIM, INTERRUPTION, DEFERMENT OR RECOUPMENT FOR ANY REASON WHATSOEVER WHETHER ARISING OUT OF ANY CLAIMS BY LESSEE AGAINST LESSOR, LESSOR'S ASSIGNS, THE SELLER, OR THE SUPPLIER OR MANUFACTURER OF THE PRODUCTS, TOTAL OR PARTIAL LOSS OF THE PRODUCTS OR THEIR USE OR POSSESSION, OR OTHERWISE. If any Product is unsatisfactory for any reason, Lessee shall make its claim solely against the Seller of such Product (or the Licensor in the case of Software, as defined

below) and shall nevertheless pay Lessor or its assignee all amounts due and payable under the Lease.

5. APPROPRIATION OF FUNDS.

(a) Lessee intends to continue each Schedule for the Primary Term and to pay the Rent and other amounts due thereunder. Lessee reasonably believes that legally available funds in an amount sufficient to pay all Rent during the Primary Term can be obtained and agrees to do all things lawfully within its power to obtain and maintain funds from which the Rent and other amounts due may be paid.

(b) Lessee may terminate a Schedule in whole, but not in part by giving at least sixty (60) days notice prior to the end of the then current Fiscal Period (as defined in the Lessee's Secretary/Clerk's Certificate provided to Lessor) certifying that: (1) sufficient funds were not appropriated and budgeted by Lessee's governing body or will not otherwise be available to continue the Lease beyond the current Fiscal Period; and (2) that the Lessee has exhausted all funds legally available for payment of the Rent beyond the current Fiscal Period. Upon termination of the Schedule, Lessee's obligations under the Schedule (except those that expressly survive the end of the Lease Term) and any interest in the Products shall cease and Lessee shall surrender the Products in accordance with Section 8. Notwithstanding the foregoing, Lessee agrees that, without creating a pledge, lien or encumbrance upon funds available to Lessee in other than its current Fiscal Period, it will use its best efforts to take all action necessary to avoid termination of a Schedule, including making budget requests for each Fiscal Period during each applicable Lease Term for adequate funds to meet its Lease obligations and to continue the Schedule in force.

(c) Lessor and Lessee intend that the obligation of Lessee to pay Rent and other amounts due under a Lease constitutes a current expense of Lessee and is not to be construed to be a debt in contravention of any applicable constitutional or statutory limitation on the creation of indebtedness or as a pledge of funds beyond Lessee's current Fiscal Period.

6. LICENSED MATERIALS.

Software means any operating system software or computer programs included with the Products (collectively, "Software"). "Licensed Materials" are any manuals and documents, end user license agreements, evidence of licenses, including without limitation, any certificate of authenticity and other media provided in connection with such Software, all as delivered with or affixed as a label to the Products. Lessee agrees that this Agreement and any Lease (including the sale of any Product pursuant to any purchase option) does not grant any title or interest in Software or Licensed Materials. Any use of the terms "sell," "purchase," "license," "lease," and the like in this Agreement or any Schedule with respect to Licensed Materials shall be interpreted in accordance with this Section 6.

7. USE; LOCATION; INSPECTION.

Lessee shall (a) comply with all terms and conditions of any Licensed Materials and (b) possess and operate the Products only (i) in accordance with the Seller's supply contract and any service provider maintenance and operating manuals, documentation and applicable laws; and (ii) for the business purposes of Lessee. Lessee agrees not to move Products from the location(s) specified in the Schedule without providing Lessor with at least 30 days prior written notice, and then only to a location within the continental United States and at Lessee's expense. Without notice to Lessor, Lessee may temporarily use laptop computers at other locations, including outside the United States, provided Lessee complies with the United States Export Control Administration Act of 1979 and the Export Administration Act of 1985, as those Acts are amended from time to time (or any successor or similar legislation). Provided Lessor complies with Lessee's reasonable security requirements, Lessee shall allow Lessor to inspect the premises where the Products are located from time to time during reasonable hours after reasonable notice in order to confirm Lessee's compliance with its obligations under this Agreement.

8. RETURN.

At the expiration or earlier termination of any Schedule, and except for Products purchased pursuant to any purchase option under the Lease, if any, Lessee will (a) remove all proprietary data from the Products; and (b) return

them to Lessor at a place within the contiguous United States designated by Lessor. Upon return of the Products, Lessee's right to the operating system Software in returned Products will terminate and Lessee will return the Products with the original certificate of authenticity (attached and unaltered) for the original operating system Software. Lessee agrees to deinstall and package the Products for return in a manner which will protect them from damage. Lessee shall pay all costs associated with the packaging and return of the Products and shall promptly reimburse Lessor for all costs and expenses for missing or damaged Products or operating system Software. If Lessee fails to return all of the Products at the expiration of the Lease Term or earlier termination (other than for non-appropriation) in accordance with this Section, the Lease Term with respect to the Products that are not returned shall continue to be renewed as described in the Schedule.

9. RISK OF LOSS; MAINTENANCE; INSURANCE.

(a) From the time the Products are delivered to Lessee's ship to location until the Products are returned to Lessor's designated return location or purchased by Lessee, Lessee agrees: (i) to assume the risk of loss or damage to the Products; (ii) to maintain the Products in good operating condition and appearance, ordinary wear and tear excepted, (iii) to comply with all requirements necessary to enforce all warranty rights; and (iv) to promptly repair any repairable damage to the Products. For the Lease Term, Lessee shall ensure that the Products are covered by a manufacturer approved maintenance agreement or, with Lessor's prior consent, are self-maintained in accordance with the standards set forth herein. At all times, Lessee shall provide the following insurance: (x) casualty loss insurance for the Products for no less than the Stipulated Loss Value (defined below) naming Lessor as a loss payee; (y) liability insurance with respect to the Products for no less than an amount as required by Lessor, with Lessor named as an additional insured; and (z) such other insurance as may be required by law which names Lessee as an insured and Lessor as an additional insured. Upon Lessor's prior written consent, Lessee may provide this insurance pursuant to Lessee's existing self insurance policy or as provided for under state law. Lessee shall provide Lessor with either an annual certificate of third party insurance or a written description of its self insurance policy or relevant law, as applicable. The certificate of insurance will provide that Lessor shall receive at least ten (10) days prior written notice of any material change to or cancellation of the insurance policy or Lessee's self-insurance program, if previously approved by Lessor. If Lessee does not give Lessor evidence of insurance in accordance with the standards herein, Lessor has the right, but not the obligation, to obtain such insurance covering Lessor's interest in the Products for the Lease Term, including renewals. If Lessor obtains such insurance, Lessor will add a monthly, quarterly or annual charge (as appropriate) to the Rent to reimburse Lessor for the insurance premium and Lessor's then current insurance administrative fee.

(b) If the Products are lost, stolen, destroyed, damaged beyond repair or in the event of any condemnation, confiscation, seizure or expropriation of such Products ("Casualty Products"), Lessee shall promptly (i) notify Lessor of the same and (ii) pay to Lessor the Stipulated Loss Value for the Casualty Products. The Stipulated Loss Value is an amount equal to the sum of (a) all Rent and other amounts then due and owing (including interest at the Overdue Rate from the due date until payment is received) under the Lease, plus (b) the present value of all future Rent to become due under the Lease during the remainder of the Lease Term, plus (c) the present value of the estimated in place Fair Market Value of the Product at the end of the Primary Term as determined by Lessor; plus (d) all other amounts to become due and owing during the remaining Lease Term. Unless priced as a tax-exempt Schedule, each of (b) and (c) shall be calculated using the federal funds rate target reported in the Wall Street Journal on the Commencement Date of the applicable Schedule. The discount rate applicable to tax-exempt Schedules shall be federal funds rate target reported in the Wall Street Journal on the Commencement Date of the applicable Schedule less 100 basis points.

10. ALTERATIONS.

Lessee shall, at its expense, make such alterations to the Products during the Lease Term as are legally required or provided at no charge by Seller. Lessee may make other alterations, additions or improvements to the Products provided that any alteration, addition or improvement shall be readily removable and shall not materially impair the value or utility of the Products. Upon the return of any Product to Lessor, any alteration, addition or improvement that is not removed by Lessee shall become the property of

Lessor free and clear of all liens and encumbrances.

11. REPRESENTATIONS AND WARRANTIES OF LESSEE.

Lessee represents, warrants and covenants to Lessor and will provide to Lessor at Lessor's request all documents deemed necessary or appropriate by Lessor, including Certificates of Insurance, financial statements, Secretary or Clerk Certificates, essential use information or documents (such as affidavits, notices and similar instruments in a form satisfactory to Lessor) and Opinions of Counsel (in substantially such form as provided to Lessee by Lessor and otherwise satisfactory to Lessor) to the effect that, as of the time Lessee enters into this Agreement and each Schedule that:

(a) Lessee is an entity duly organized and existing under and by virtue of the authorizing statute or constitutional provisions of its state and is a state or political subdivision thereof as described in Section 103(a) of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder as in effect and applicable to the Agreement or any Schedule, with full power and authority to enter into this Agreement and any Schedules and perform all of its obligations under the Leases;

(b) This Agreement and each Schedule have been duly authorized, authenticated and delivered by Lessee by proper action of its governing board at a regularly convened meeting and attended by the requisite majority of board members, or by other appropriate official authentication, as applicable, and all requirements have been met and procedures have occurred in order to ensure the validity and enforceability of this Agreement against Lessee;

(c) This Agreement and each Schedule constitute the valid, legal and binding obligations of Lessee, enforceable in accordance with their terms;

(d) No other approval, consent or withholding of objection is required from any federal, state or local governmental authority or instrumentality with respect to the entering into or performance by Lessee of the Agreement or any Schedule and the transactions contemplated thereby;

(e) Lessee has complied with such public bidding requirements and other state and federal laws as may be applicable to the Agreement and any Schedule and the acquisition by Lessee of the Products;

(f) The entering into and performance of the Agreement or any Schedule will not (i) violate any judgment, order, law or regulation applicable to Lessee; (ii) result in any breach of, or constitute a default under, any instrument to which the Lessee is a party or by which it or its assets may be bound; or (iii) result in the creation of any lien, charge, security interest or other encumbrance upon any assets of the Lessee or on the Products, other than those created pursuant to this Agreement;

(g) There are no actions, suits, proceedings, inquiries or investigations, at law or in equity, before or by any court, public board or body, pending or threatened against or affecting Lessee, nor to the best of Lessee's knowledge and belief is there any basis therefor, which if determined adversely to Lessee will have a material adverse effect on the ability of Lessee to fulfill its obligations under the Agreement or any Schedule;

(h) The Products are essential to the proper, efficient and economic operation of Lessee or to the services which Lessee provides to its citizens. Lessee expects to make immediate use of the Products, for which it has an immediate need that is neither temporary nor expected to diminish during the applicable Lease Term. The Products will be used for the sole purpose of performing one or more of Lessee's governmental or proprietary functions consistent within the permissible scope of Lessee's authority; and

(i) Lessee has, in accordance with the requirements of law, fully budgeted and appropriated sufficient funds to make all Rent payments and other obligations under this Agreement and any Schedule during the current Fiscal Period, and such funds have not been expended for other purposes.

12. WARRANTY ASSIGNMENT; EXCLUSION OF WARRANTIES; LIMITATIONS ON LIABILITY; FINANCE LEASE.

(a) Provided no Event of Default has occurred and is continuing, Lessor assigns to Lessee for the Lease Term the benefit of any Product warranty and right of return provided by any Seller.

(b) LESSEE ACKNOWLEDGES THAT LESSOR DID NOT SELECT,

MANUFACTURE, SUPPLY OR LICENSE ANY PRODUCT AND THAT LESSEE HAS MADE THE SELECTION OF PRODUCTS BASED UPON ITS OWN JUDGMENT AND EXPRESSLY DISCLAIMS ANY RELIANCE ON STATEMENTS MADE BY LESSOR OR ITS AGENTS. LESSOR LEASES THE PRODUCTS AS-IS AND MAKES NO WARRANTY, EXPRESS, IMPLIED, OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OF DESIGN, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE. LESSEE HEREBY WAIVES ANY CLAIM IT MIGHT HAVE AGAINST LESSOR OR ITS ASSIGNEE FOR ANY LOSS, DAMAGE OR EXPENSE CAUSED BY OR WITH RESPECT TO ANY PRODUCTS.

(c) IN NO EVENT SHALL LESSOR BE LIABLE FOR ANY ACTUAL, SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT, ANY SCHEDULE OR THE SALE, LEASE OR USE OF ANY PRODUCTS EVEN IF LESSOR IS ADVISED IN ADVANCE OF THE POSSIBILITY OR CERTAINTY OF SUCH DAMAGES AND EVEN IF LESSEE ASSERTS OR ESTABLISHES A FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY PROVIDED IN THIS AGREEMENT.

(d) Lessee agrees that it is the intent of both parties that each lease qualify as a statutory finance lease under Article 2A of the UCC. Lessee acknowledges either (i) that Lessee has reviewed and approved any written supply contract covering the Products purchased from the Seller for lease to Lessee or (ii) that Lessor has informed or advised Lessee, in writing, either previously or by this Agreement, that Lessee may have rights under the supply contract evidencing the purchase of the Products and that Lessee should contact the Seller for a description of any such rights. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, LESSEE HEREBY WAIVES ALL RIGHTS AND REMEDIES CONFERRED UPON A LESSEE BY ARTICLE 2A OF THE UCC.

13. EVENTS OF DEFAULT.

It shall be an event of default hereunder and under any Schedule ("Event of Default") if:

(a) Lessee fails to pay any Rent or other amounts payable under this Agreement or any Schedule within 15 days after the date such payment is due;

(b) Any representation or warranty made by Lessee to Lessor in connection with this Agreement, any Schedule or any other Documents is at the time made materially untrue or incorrect;

(c) Lessee fails to comply with any other obligation or provision of this Agreement or any Schedule and such failure shall have continued for 30 days after notice from Lessor;

(d) Lessee (i) is generally not paying its debts as they become due or (ii) takes action for the purpose of invoking the protection of any bankruptcy or insolvency law, or any such law is invoked against or with respect to Lessee or its property and such petition is not dismissed within 60 days;

(e) Any provision of this Agreement ceases to be valid and binding on Lessee, is declared null and void, or its validity or enforceability is contested by Lessee or any governmental agency or authority whereby the loss of such provision would materially adversely affect the rights or security of Lessor, or Lessee denies any further liability or obligation under this Agreement; or

(f) Lessee is in default under any other lease, contract, or obligation now existing or hereafter entered into with Lessor or Seller or any assignee of Lessor.

14. REMEDIES; TERMINATION.

(a) Upon an Event of Default under any Schedule, all of Lessee's rights (including its rights to the Products), but not its obligations thereunder, shall automatically be canceled without notice and Lessor may exercise one or more of the following remedies in its sole discretion:

(i) require Lessee to return any and all such Products in accordance with Section 8, or if requested by Lessor, to assemble the Products in a single location designated by Lessor and to grant Lessor the right to enter the premises where such Products are located (regardless of where assembled) for the purpose of repossession;

(ii) sell, lease or otherwise dispose of any or all Products (as agent and attorney-in-fact for Lessee to the extent necessary) upon such terms and in such manner (at public or private sale) as Lessor deems advisable in its sole discretion ("Disposition");

(iii) declare immediately due and payable as a pre-estimate of liquidated damages for loss of bargain and not as a penalty, the Stipulated Loss Value of the Products in lieu of any further Rent, in which event Lessee shall pay such amount to Lessor within 10 days after the date of Lessor's demand; or

(iv) proceed by appropriate court action either at law or in equity (including action for specific performance) to enforce the performance by Lessee or recover damages associated with such Event of Default or exercise any other remedy available to lessor in law or in equity.

(b) Lessee shall pay all costs and expenses arising or incurred by Lessor, including reasonable attorney fees, in connection with or related to an Event of Default or the repossession, transportation, re-furbishing, storage and Disposition of any or all Products ("Default Expenses"). In the event Lessor recovers proceeds (net of Default Expenses) from its Disposition of the Products, Lessor shall credit such proceeds against the owed Stipulated Loss Value. Lessee shall remain liable to Lessor for any deficiency. With respect to this Section, to the extent the proceeds of the Disposition (net of Default Expenses) exceed the Stipulated Loss Value owed under the Lease, or Lessee has paid Lessor the Stipulated Loss Value, the Default Expenses and all other amounts owing under the Lease, Lessee shall be entitled to such excess and shall have no further obligations with respect to such Lease. All rights of Lessor are cumulative and not alternative and may be exercised by Lessor separately or together.

15. QUIET ENJOYMENT.

Lessor shall not interfere with Lessee's right to possession and quiet enjoyment of Products during the relevant Lease Term, provided no Event of Default has occurred or is continuing. Lessor represents and warrants that as of the Commencement Date of the applicable Schedule, Lessor has the right to lease the Products to Lessee.

16. INDEMNIFICATION.

Without waiving the doctrines of sovereign immunity and immunity from suit, and to the extent allowed by the laws and Constitution of the State of Texas, Lessee assumes all risks and liabilities, whether or not covered by insurance, for loss or damage to any Products and for injury to or death of any person, or damage to any property, whether such injury or death be with respect to agents or employees of Lessee or of third parties, and whether such property damage be to Lessee's property or the property of others, which is proximately caused by the negligent conduct of Lessee, its officers or employees.

17. OWNERSHIP; LIENS AND ENCUMBRANCES; LABELS.

As between Lessor and Lessee, title to the Products (other than the Licensed Materials) is and shall remain with Lessor. Products are considered personal property and Lessee shall, at Lessee's expense, keep the Products free and clear of liens and encumbrances of any kind (except those arising through the acts of Lessor) and shall immediately notify Lessor if Lessor's interest is subject to compromise. Lessee shall not remove, cover, or alter plates, labels, or other markings upon Products by Lessor, Seller or any other supplier.

18. NON-PERFORMANCE BY LESSEE.

If Lessee shall fail to perform any of its obligations hereunder or under any Schedule, Lessor shall have the right but not the obligation to effect such performance and Lessee shall promptly reimburse Lessor for all out of pocket and other reasonable expenses incurred in connection with such performance, with interest at the Overdue Rate.

19. NOTICES.

All notices shall be given in writing and, except for billings and communications in the ordinary course of business, shall be delivered by overnight courier service, delivered personally or sent by certified mail, return receipt requested, and shall be effective on the date of receipt unless mailed, in which case the effective date will be four (4) Business Days after the date of mailing. Notices

to Lessor by Lessee shall be sent to: Dell Financial Services L.P., Legal Department, One Dell Way, Round Rock, TX 78682, or such other mailing address designated in writing by Lessor. Notice to Lessee shall be to the address on the first page of this Agreement or such other mailing address designated in writing by Lessee.

20. ASSIGNMENT.

(a) LESSEE MAY ASSIGN THIS AGREEMENT OR ANY SCHEDULE, OR SUBLEASE ANY PRODUCT(S) WITH THE PRIOR WRITTEN CONSENT OF LESSOR (SUCH CONSENT NOT TO BE UNREASONABLY WITHHELD). LESSOR, AT ITS SOLE DISCRETION, MAY ASSESS AN ADMINISTRATIVE FEE FOR ANY APPROVED ASSIGNMENT OR SUBLEASE. No assignment or sublease shall in any way discharge Lessee's obligations to Lessor under this Agreement or Schedule.

(b) Lessor may at any time without notice to Lessee, but subject to the rights of Lessee, transfer, assign, or grant a security interest in any Product, this Agreement, any Schedule, or any rights and obligations hereunder or thereunder in whole or in part. Lessee hereby consents to such assignments, agrees to comply fully with the terms thereof, and agrees to execute and deliver promptly such acknowledgments, opinions of counsel and other instruments reasonably requested to effect such assignment.

(c) Subject to the foregoing, this Agreement and each Schedule shall be binding upon and inure to the benefit of Lessor, Lessee and their successors and assigns.

21. GOVERNING LAW; JURISDICTION AND VENUE; WAIVER OF JURY TRIAL; STATE CLAIMS PROCESS.

(a) THIS AGREEMENT AND EACH SCHEDULE SHALL BE GOVERNED BY TEXAS LAW WITHOUT REGARD TO ITS CONFLICTS OF LAW PRINCIPLES AND, TO THE EXTENT APPLICABLE, THE ELECTRONIC SIGNATURES IN GLOBAL AND NATIONAL COMMERCE ACT. EXCEPT FOR LESSEES TO WHOM SECTION 21(b) HEREIN APPLIES, LESSEE CONSENTS TO THE JURISDICTION OF ANY FEDERAL COURT LOCATED IN DALLAS COUNTY, TEXAS AND WAIVES ANY OBJECTION TO VENUE IN SUCH COURT, AND FURTHER WAIVES ANY RIGHT TO A TRIAL BY JURY.

(b) This sub-section applies only to Lessees designated a State, agency, department, commission, bureau, board, office, council, court, or other entity that is in any branch of state government and that is created by the constitution or a statute of the State of Texas, including a university system or institution of higher education.

(1) To the extent that Chapter 2260 of the *Texas Government Code*, as it may be amended from time to time ("Chapter 2260"), is applicable to this Agreement and is not preempted by other applicable law, the dispute resolution process provided for in Chapter 2260 shall be used, as further described herein, by the Lessee and Lessor to attempt to resolve any claim for breach of contract made by Lessor:

(A) Lessor's claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business shall be submitted to the negotiation process provided in subchapter B of Chapter 2260. To initiate the process, Lessor shall submit written notice, as required by subchapter B of Chapter 2260, to Lessee in accordance with the notice provisions in this Agreement. Lessor's notice shall specifically state that the provisions of subchapter B of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that Lessee allegedly breached, the amount of damages Lessor seeks, and the method used to calculate the damages. Compliance by Lessor with subchapter B of Chapter 2260 is a required prerequisite to Lessor's filing of a contested case proceeding under subchapter C of Chapter 2260. The chief business officer of Lessee, or such other officer of Lessee as may be designated from time to time by Lessee by written notice thereof to Lessor in accordance with the notice provisions in this Agreement, shall examine Lessor's claim and any counterclaim and negotiate with Lessor in an effort to resolve such claims.

(B) If the parties are unable to resolve their disputes under subparagraph (A) of this subsection, the contested case process provided in subchapter C of Chapter 2260 is Lessor's sole and exclusive

process for seeking a remedy for any and all of Lessor's claims for breach of this Agreement by Lessee.

(C) Compliance with the contested case process provided in subchapter C of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under Chapter 107 of the Texas Civil Practices and Remedies Code. The parties hereto specifically agree that (i) neither the execution of this Agreement by Lessee nor any other conduct, action or inaction of any representative of Lessee relating to this Agreement constitutes or is intended to constitute a waiver of Lessee's or the State's sovereign immunity to suit and (ii) Lessee has not waived its right to seek redress in the courts.

(2) (A) If the Lessee against whom Lessor makes a claim does not have rulemaking authority, the submission, processing and resolution of Lessor's claim is governed by the published rules adopted by the Office of the Attorney General pursuant to Chapter 2260, Government Code as currently effective, hereafter enacted or subsequently amended.

(B) If the Lessee against whom Lessor makes a claim has rulemaking authority, and has adopted rules governing the alternative dispute resolution process, the submission, processing and resolution of Lessor's claim shall be governed by such rules, as such rules are then effective, hereafter enacted or subsequently amended. If the Lessee against whom Lessor makes a claim has rulemaking authority, but has not yet adopted rules governing the alternative dispute resolution process, Lessee's claim shall be governed by the rules adopted by the Office of the Attorney General pursuant to Subsection 2260.052 (c), Subchapter B, Government Code.

(3) Neither the occurrence of an event giving rise to a breach of contract claim nor the pendency of a claim constitute grounds for the suspension of performance by Lessor, in whole or in part. Lessee and Lessor agree that any periods set forth in this Agreement for notice and cure of defaults are not waived, delayed, or suspended by Chapter 2260 or this subsection.

22. MISCELLANEOUS.

(a) The headings used in this Agreement are for convenience only and shall have no legal effect. This Agreement shall be interpreted without any strict construction in favor of or against either party.

(b) The provisions of Sections 6, 8, 11, 12(b), 12(c), 12(d), 16, 21 and 22 shall continue in full force and effect even after the termination or expiration of this Agreement or any Schedule.

(c) Failure of Lessor at any time to require Lessee's performance of any obligation shall not affect the right to require performance of that obligation. No term, condition or provision of this Agreement or any Schedule shall be waived or deemed to have been waived by Lessor unless it is in writing and signed by a duly authorized representative of Lessor. A valid waiver is limited to the specific situation for which it was given.

(d) Lessee shall furnish such financial statements of Lessee (prepared in accordance with generally accepted accounting principles) and other information as Lessor may from time to time reasonably request.

(e) If any provision(s) of this Agreement is deemed invalid or unenforceable to any extent (other than provisions going to the essence of this Agreement) the same shall not in any respect affect the validity, legality or enforceability (to the fullest extent permitted by law) of the remainder of this Agreement and the parties shall use their best efforts to replace such illegal, invalid or unenforceable provision with an enforceable provision approximating, to the extent possible, the original intent of the parties.

(f) Unless otherwise provided, all obligations hereunder shall be performed or observed at the respective party's expense.

(g) Lessee shall take any action reasonably requested by Lessor for the purpose of fully effectuating the intent and purposes of this Agreement or any Schedule. If any Lease is determined to be other than a true lease, Lessee hereby grants to Lessor a first priority security interest in the Products and all proceeds thereof. Lessee acknowledges that by signing this Agreement,

Lessee has authorized Lessor to file any financing statements or related filings as Lessor may reasonably deem necessary or appropriate. Lessor may file a copy of this Agreement or any Schedule in lieu of a financing statement.

(h) This Agreement and any Schedule may be signed in any number of counterparts each of which when so executed or otherwise authenticated and delivered shall be an original but all counterparts shall together constitute one and the same instrument. To the extent each Schedule would constitute chattel paper as that term is defined in the UCC, no security interest may be created through the transfer or control or possession, as applicable, of a counterpart of a Schedule other than the original in Lessor's possession marked by Lessor as either "original" or "Counterpart Number 1".

(i) This Agreement and the Schedules hereto between Lessor and Lessee set forth all of the understandings and agreements between the parties and supersede and merge all prior written or oral communications, understandings, or agreements between the parties relating to the subject matter contained herein. Except as permitted herein, this Agreement and any Schedule may be amended only by a writing duly signed or otherwise authenticated by Lessor and Lessee.

(j) If Lessee delivers this Agreement, a signed Schedule, amendment or other document related to the Master Lease or a Schedule (each a "Document") to Lessor by facsimile transmission, and Lessor does not receive all of the pages of that Document, Lessee agrees that, except for any pages which require a signature, Lessor may supply the missing pages to the Document from Lessor's database which conforms to the version number at the bottom of the page. If Lessee delivers a signed Document to Lessor as an e-mail attachment, facsimile transmission or by U.S. mail, Lessee acknowledges that Lessor is relying on Lessee's representation that the Document has not been altered. Lessee further agrees that, notwithstanding any rule of evidence to the contrary, in any hearing, trial or proceeding of any kind with respect to a Document, Lessor may produce a tangible copy of the Document transmitted by Lessee to Lessor by facsimile or as an e-mail attachment and such signed copy shall be deemed to be the original of the Document. To the extent (if any) that the Document constitutes chattel paper under the Uniform Commercial Code, the authoritative copy of the Document shall be the copy designated by Lessor or its assignee, from time to time, as the copy available for access and review by Lessee, Lessor or its assignee. All other copies are deemed identified as copies of the authoritative copy. In the event of inadvertent destruction of the authoritative copy, or corruption of the authoritative copy for any reason or as the result of any cause, the authoritative copy may be restored from a backup or archive copy, and the restored copy shall become the authoritative copy. At Lessor's option, this electronic record may be converted into paper form. At such time, such paper copy will be designated or marked as the authoritative copy of the Document.

Payment Period:

*Lessee is responsible for applicable taxes, shipping and other amounts as described in the Agreement, and, with the first payment of Rent, any prorated Rent if applicable. Such amounts are further described in Exhibit "A".

**The Commencement Date may be extended for one Payment Period until the Schedule is returned in accordance with the terms in the Agreement. Lessor may charge Lessee prorated Rent accruing from the Acceptance Date to the Commencement Date, as such date is finally determined.

TRUE LEASE PROVISIONS

The following provisions shall apply with respect to this Schedule in addition to those provisions in the Agreement:

1. **TRUE LEASE:** The parties intend for this lease to constitute a true lease of Products under the UCC and all applicable laws. If this Lease is determined to be a lease intended as security, in no event shall Lessee be obligated to pay any time price balance differential in excess of the maximum amount permitted by applicable law (as specified herein or the state where the Products are located, whichever law permits the greater amount). In the event Lessor shall receive anything of value under a Lease that is deemed interest which would exceed the maximum amount of interest allowed under the law, the excess amount shall be applied to the reduction of the unpaid time price balance or shall be refunded to Lessee. In order to reduce the unpaid time price balance, any amount deemed interest shall, to the fullest extent permitted by applicable law, be amortized and spread uniformly throughout the Lease Term."

2. **END OF LEASE OPTIONS.**

(a) Provided that no Event of Default has occurred and is continuing, and at least 90 days but no more than 180 days prior to the expiration of the Primary Term (the "Expiration Date"), Lessee will give irrevocable written notice to Lessor of its intention to either:

- (i) purchase all of the Products at the Fair Market Value (as defined below);
- (ii) renew the Lease Term for a minimum of six (6) months at a rate and for a term agreed upon by both parties; or
- (iii) return all of the Products in accordance with the Agreement.

(b) If Lessee exercises the option to purchase the Products then, upon receipt of payment of the "Fair Market Value" (defined below), plus applicable taxes, Lessor will sell the Products to Lessee AS IS-WHERE IS, WITHOUT

WARRANTY OR RECOURSE, EXPRESS, IMPLIED OR OTHERWISE, INCLUDING ANY WARRANTIES OF DESIGN, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR AGAINST INFRINGEMENT. The Fair Market Value purchase price shall be paid on or before the last day of the Primary Term. "Fair Market Value" means the price of the Products, installed, in use and in the condition required by the Agreement as determined by Lessor in its reasonable judgment. If Lessee disagrees with the Fair Market Value, Lessee shall notify Lessor in writing within 60 days prior to the Expiration Date and, upon Lessee's request, and within ten (10) days after receipt of Lessee's notice, Lessor shall appoint a qualified appraiser reasonably acceptable to Lessee to appraise the retail value of the Products. The amount determined by such appraiser shall be the final Fair Market Value. Lessor and Lessee shall share the expense of such appraisal equally.

(c) If Lessee desires to renew a lease, Lessee and Lessor shall enter into a supplement to this Schedule describing the length of the renewal Lease Term and the renewal Rent provided, however, all other terms of this Schedule and the Agreement shall remain in full force and effect.

(d) Whether or not Lessee has given Lessor notice of its intent as described above, if Lessee does not return or purchase the Products or renew the Lease as required above, the Lease Term shall automatically extend on a month-to-month basis at the Rent in effect on the Expiration Date (prorated on a monthly basis if the Payment Period was other than monthly during the Primary Term). Such extension shall continue until Lessee: (i) provides thirty (30) days prior written notice of its intention to return or purchase the Products (to take effect on the next Rent payment date that is at least 30 days after the notice is received by Lessor) and (ii) either returns or purchases all of the Products in accordance with the End of Lease options above. Payments of Rent during the month-to-month extension are due and payable monthly as specified in Lessor's invoice. If Lessee fails to return or purchase any Products, the Schedule and associated Rent for the Products that have not been returned or purchased shall extend on a month-to-month basis in accordance with the prior sentence.

3. **COMPLETION OF SCHEDULE.** Lessee hereby authorizes Lessor to insert or update the serial numbers of the Products from time to time if necessary.

If Lessee delivers this signed Schedule, any amendment or other document related to this Schedule or the Master Lease (each a "Document") to Lessor by facsimile transmission, and Lessor does not receive all of the pages of that Document, Lessee agrees that, except for any pages which require a signature, Lessor may supply the missing pages to the Document from Lessor's database which conforms to the version number at the bottom of the page. If Lessee delivers a signed Document to Lessor as an e-mail attachment, facsimile transmission or by U.S. mail, Lessee acknowledges that Lessor is relying on Lessee's representation that the Document has not been altered. Lessee further agrees that, notwithstanding any rule of evidence to the contrary, in any hearing, trial or proceeding of any kind with respect to a Document, Lessor may produce a tangible copy of the Document transmitted by Lessee to Lessor by facsimile or as an e-mail attachment and such signed copy shall be deemed to be the original of the Document. To the extent (if any) that the Document constitutes chattel paper under the Uniform Commercial Code, the authoritative copy of the Document shall be the copy designated by Lessor or its assignee, from time to time, as the copy available for access and review by Lessee, Lessor or its assignee. All other copies are deemed identified as copies of the authoritative copy. In the event of inadvertent destruction of the authoritative copy, or corruption of the authoritative copy for any reason or as the result of any cause, the authoritative copy may be restored from a backup or archive copy, and the restored copy shall become the authoritative copy. At Lessor's option, this electronic record may be converted into paper form. At such time, such paper copy will be designated or marked as the authoritative copy of the Document.

(l) The total cost of the Products listed in this Schedule will not be less than the total Principal Portion of the Rent listed in this Schedule; :

Lessee hereby acknowledges and consents to such assignment and shall keep, or cause to be kept, a complete and accurate record of all such assignments in a manner and form necessary to comply with Section 149(a) of the Code and the Treasury Regulations promulgated thereunder. **SAMPLE OPINION LETTER
TO BE EXECUTED ON COUNSEL'S LETTERHEAD**

To: Dell Financial Services L.L.C.
One Dell Way
Round Rock, TX 78682

Ladies and Gentlemen:

We are counsel to the _____ (the "Lessee") and, in that capacity, we have examined Master Lease Agreement No. _____ dated as of _____ 2018, and the Lease Purchase Schedule No. _____ to Master Lease Agreement No. _____ thereto, dated as of _____ 2018 (collectively the "Agreement"), between the Lessee and Dell Financial Services L.L.C. (the "Lessor").

Based on our examination of the Agreement and such other examinations as we have deemed appropriate, we are of the opinion as follows:

(a) The Lessee is an entity duly organized and existing under and by virtue of the authorizing statute or constitutional provisions of the State of _____ and is a state or political subdivision thereof as described in Section 103(a) of the Internal Revenue Code of 1986, as amended, with full power and authority to enter into the Agreement and the transactions contemplated thereby and to perform all of its obligations thereunder;

(b) The Agreement has been duly authorized, executed and delivered by _____*, _____ of the Lessee by proper action of its governing board at a meeting duly called, regularly convened and attended throughout by the requisite majority of the members thereof or by other appropriate official approval, and all requirements have been met and procedures have occurred in order to ensure the validity and enforceability of the Agreement against the Lessee;

(c) The Agreement constitutes the valid, legal and binding obligation of the Lessee, enforceable in accordance with its terms;

(d) No approval, consent or withholding of objection is required from any federal, state or local governmental authority or instrumentality with respect to the entering into or performance by the Lessee of the Agreement and the transactions contemplated thereby;

(e) Lessee has complied with any applicable public bidding requirements and other applicable state and federal laws in connection with the Agreement and the transactions contemplated thereby;

(f) The entering into and performance of the Agreement will not violate any judgment, order, law or regulation applicable to the Lessee or result in any breach of, or constitute a default under, any instrument to which the Lessee is a party or by which it or its assets may be bound, or result in the creation of any lien, charge, security interest or other encumbrance upon any assets of the Lessee or on the Products, other than those created by the Agreement;

(g) The Products are tangible personal property and when subject to use by the Lessee will not be or become fixtures or real property under the laws of the State of _____;

(h) There are no actions, suits, proceedings, inquiries or investigations, at law or in equity, before or by any court, public board or body, pending or threatened against or affecting, nor to the best of our knowledge and belief is there any basis therefor, which, if determined adversely to Lessee, will have a material adverse effect on the ability of the Lessee to fulfill its obligations under the Agreement; and

(i) Lessee has, in accordance with the requirements of law, fully budgeted and appropriated sufficient funds for Lessee's current Fiscal Period to make the Rent payments scheduled to come due during Lessee's current Fiscal Period and to meet its other obligations under the Agreement for the current Fiscal Period, and such funds have not been expended for other purposes.

This opinion is delivered to the addressee for its benefit and the benefit of its assigns for the purpose contemplated by the Agreement.

Very truly yours,

*Authorized Signatory of Lessee under the Agreement.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

What's New

The IRS has created a page on IRS.gov for information about the Form 8038 series and its instructions, at www.irs.gov/form8038. Information about any future developments affecting the Form 8038 series (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

Form 8038-GC is used by the issuers of tax-exempt governmental obligations to provide the IRS with the information required by section 149(e) and to monitor the requirements of sections 141 through 150.

Who Must File

Issuers of tax-exempt governmental obligations with issue prices of less than \$100,000 must file Form 8038-GC.

Issuers of a tax-exempt governmental obligation with an issue price of \$100,000 or more must file Form 8038-G, Information Return for Tax-Exempt Governmental Obligations.

Filing a separate return for a single issue. Issuers have the option to file a separate Form 8038-GC for any tax-exempt governmental obligation with an issue price of less than \$100,000.

An issuer of a tax-exempt bond used to finance construction expenditures must file a separate Form 8038-GC for each issue to give notice to the IRS that an election was made to

pay a penalty in lieu of arbitrage rebate (see the line 11 instructions).

Filing a consolidated return for multiple issues. For all tax-exempt governmental obligations with issue prices of less than \$100,000 that are not reported on a separate Form 8038-GC, an issuer must file a consolidated information return including all such issues issued within the calendar year.

Thus, an issuer may file a separate Form 8038-GC for each of a number of small issues and report the remainder of small issues issued during the calendar year on one consolidated Form 8038-GC. However, if the issue is a construction issue, a separate Form 8038-GC must be filed to give the IRS notice of the election to pay a penalty in lieu of arbitrage rebate.

When To File

To file a separate return for a single issue, file Form 8038-GC on or before the 15th day of the second calendar month after the close of the calendar quarter in which the issue is issued.

To file a consolidated return for multiple issues, file Form 8038-GC on or before February 15th of the calendar year following the year in which the issue is issued.

Late filing. An issuer may be granted an extension of time to file Form 8038-GC under section 3 of Rev. Proc. 2002-48, 2002-37 I.R.B. 531, if it is determined that the failure to file on time is not due to willful neglect. Type or print at the top of the form, "Request for Relief under section 3 of Rev. Proc. 2002-48." Attach to the Form 8038-GC a letter briefly stating why the form was not submitted to the IRS on time. Also indicate whether the obligation in question is under examination by the IRS. Do not submit copies of any bond documents, leases, or installment sale documents. See *Where To File* next.

Where To File

File Form 8038-GC, and any attachments, with the Department of the Treasury, Internal Revenue Service Center, Ogden, UT 84201.

Private delivery services. You can use certain private delivery services designated by the IRS to meet the "timely mailing as timely filing/paying" rule for tax returns and payments. These private delivery services include only the following:

- DHL Express (DHL): DHL Same Day Service.
- Federal Express (FedEx): FedEx Priority Overnight, FedEx Standard Overnight, FedEx 2Day, FedEx International Priority, and FedEx International First.
- United Parcel Service (UPS): UPS Next Day Air, UPS Next Day Air Saver, UPS 2nd Day Air, UPS 2nd Day Air A.M., UPS Worldwide Express Plus, and UPS Worldwide Express.

The private delivery service can tell you how to get written proof of the mailing date.

Other Forms That May Be Required

For rebating arbitrage (or paying a penalty in lieu of arbitrage rebate) to the Federal Government, use Form 8038-T, Arbitrage Rebate, Yield Reduction and Penalty in Lieu of Arbitrage Rebate. For private activity bonds, use Form 8038, Information Return for Tax-Exempt Private Activity Bond Issues.

For a tax-exempt governmental obligation with an issue price of \$100,000 or more, use Form 8038-G.

Rounding to Whole Dollars

You may show the money items on this return as whole-dollar amounts. To do so, drop any amount less than 50 cents and increase any amount from 50 to 99 cents to the next higher dollar.

Definitions

Obligations. This refers to a single tax-exempt governmental obligation if Form 8038-GC is used for separate reporting or to

multiple tax-exempt governmental obligations if the form is used for consolidated reporting.

Tax-exempt obligation. This is any obligation including a bond, installment purchase agreement, or financial lease, on which the interest is excluded from income under section 103.

Tax-exempt governmental obligation. A tax-exempt obligation that is not a private activity bond (see below) is a tax-exempt governmental obligation. This includes a bond issued by a qualified volunteer fire department under section 150(e).

Private activity bond. This includes an obligation issued as part of an issue in which:

- More than 10% of the proceeds are to be used for any private activity business use, and
- More than 10% of the payment of principal or interest of the issue is either (a) secured by an interest in property to be used for a private business use (or payments for such property) or (b) to be derived from payments for property (or borrowed money) used for a private business use.

It also includes a bond, the proceeds of which (a) are to be used to make or finance loans (other than loans described in section 141(c)(2)) to persons other than governmental units and (b) exceeds the lesser of 5% of the proceeds or \$5 million.

Issue. Generally, obligations are treated as part of the same issue only if they are issued by the same issuer, on the same date, and as part of a single transaction, or a series of related transactions. However, obligations issued during the same calendar year (a) under a loan agreement under which amounts are to be advanced periodically (a "draw-down loan") or (b) with a term not exceeding 270 days, may be treated as part of the same issue if the obligations are equally and ratably secured under a single indenture or loan agreement and are issued under a common financing arrangement (for example, under the same official statement periodically updated to reflect changing factual circumstances). Also, for obligations issued under a draw-down loan that meets the requirements of the preceding sentence, obligations issued during different calendar years may be treated as part of the same issue if all of the amounts to be advanced under the draw-down loan are reasonably expected to be advanced within 3 years of the date of issue of the first obligation. Likewise, obligations (other than private activity bonds) issued under a single agreement that is in the form of a lease or installment sale may be treated as part of the same issue if all of the property covered by that agreement is reasonably expected to be delivered within 3 years of the date of issue of the first obligation.

Arbitrage rebate. Generally, interest on a state or local bond is not tax-exempt unless the issuer of the bond rebates to the United States arbitrage profits earned from investing proceeds of the bond in higher yielding nonpurpose investments. See section 148(f).

Construction issue. This is an issue of tax-exempt bonds that meets both of the following conditions:

1. At least 75% of the available construction proceeds of the issue are to be used for construction expenditures with respect to property to be owned by a governmental unit or a 501(c)(3) organization, and

2. All of the bonds that are part of the issue are qualified 501(c)(3) bonds, bonds that are not private activity bonds, or private activity bonds issued to finance property to be owned by a governmental unit or a 501(c)(3) organization.

In lieu of rebating any arbitrage that may be owed to the United States, the issuer of a construction issue may make an irrevocable election to pay a penalty. The penalty is equal to 1-1/2% of the amount of construction proceeds that do not meet certain spending requirements. See section 148(f)(4)(C) and the Instructions for Form 8038-T.

Specific Instructions

In general, a Form 8038-GC must be completed on the basis of available information and reasonable expectations as of the date of issue. However, forms that are filed on a consolidated basis may be completed on the basis of information readily available to the issuer at the close of the calendar year to which the form relates, supplemented by estimates made in good faith.

Part I—Reporting Authority

Amended return. An issuer may file an amended return to change or add to the information reported on a previously filed return for the same date of issue. If you are filing to correct errors or change a previously filed return, check the "Amended Return" box in the heading of the form.

The amended return must provide all the information reported on the original return, in addition to the new corrected information. Attach an explanation of the reason for the amended return and write across the top "Amended Return Explanation."

Line 1. The issuer's name is the name of the entity issuing the obligations, not the name of the entity receiving the benefit of the financing. In the case of a lease or installment sale, the issuer is the lessee or purchaser.

Line 2. An issuer that does not have an employer identification number (EIN) should apply for one on Form SS-4, Application for Employer Identification Number. You can get this form on the IRS website at IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676). You may receive an EIN by telephone by following the instructions for Form SS-4.

Lines 3 and 4. Enter the issuer's address or the address of the designated contact person listed on line 6. If the issuer wishes to use its own address and the issuer receives its mail in care of a third party authorized representative (such as an accountant or attorney), enter on the street address line "C/O" followed by the third party's name and street address or P.O. box. Include the suite, room, or other unit number after the street address. If the post office does not deliver mail to the street address and the issuer has a P.O. box, show the box number instead of the

street address. If a change in address occurs after the return is filed, use Form 8822, Change of Address, to notify the IRS of the new address.

Note. The address entered on lines 3 and 4 is the address the IRS will use for all written communications regarding the processing of this return, including any notices. By authorizing a person other than an authorized officer or other employee of the issuer to communicate with the IRS and whom the IRS may contact about this return, the issuer authorizes the IRS to communicate directly with the individual listed on line 6, whose address is entered on lines 3 and 4 and consents to disclose the issuer's return information to that individual, as necessary, to process this return.

Line 5. This line is for IRS use only. Do not make any entries in this box.

Part II—Description of Obligations

Check the appropriate box designating this as a return on a single issue basis or a consolidated return basis.

Line 8a. The issue price of obligations is generally determined under Regulations section 1.148-1(b). Thus, when issued for cash, the issue price is the price at which a substantial amount of the obligations are sold to the public. To determine the issue price of an obligation issued for property, see sections 1273 and 1274 and the related regulations.

Line 8b. For a single issue, enter the date of issue (for example, 03/15/2010 for a single issue issued on March 15, 2010), generally the date on which the issuer physically exchanges the bonds that are part of the issue for the underwriter's (or other purchaser's) funds; for a lease or installment sale, enter the date interest starts to accrue. For issues reported on a consolidated basis, enter the first day of the calendar year during which the obligations were issued (for example, for calendar year 2010, enter 01/01/2010).

Lines 9a through 9h. Complete this section if property other than cash is exchanged for the obligation, for example, acquiring a police car, a fire truck, or telephone equipment through a series of monthly payments. (This type of obligation is sometimes referred to as a "municipal lease.") Also complete this section if real property is directly acquired in exchange for an obligation to make periodic payments of interest and principal.

Do not complete lines 9a through 9d if the proceeds of an obligation are received in the form of cash even if the term "lease" is used in the title of the issue. For lines 9a through 9d, enter the amount on the appropriate line that represents a lease or installment purchase. For line 9d, enter the type of item that is leased. For lines 9e through 9h, enter the amount on the appropriate line that represents a bank loan. For line 9h, enter the type of bank loan.

Lines 9i and 9j. For line 9i, enter the amount of the proceeds that will be used to pay principal, interest, or call premium on any other issue of bonds, including proceeds that will be used to fund an escrow account for this purpose. Several lines may apply to a particular obligation. For example, report on lines 9i and 9j obligations used to refund prior issues which represent loans from the proceeds of another tax-exempt obligation.

Line 9k. Enter on line 9k the amount on line 8a that does not represent an obligation described on lines 9a through 9j.

Line 10. Check this box if the issuer has designated any issue as a "small issuer exception" under section 265(b)(3)(B)(i)(III).

Line 11. Check this box if the issue is a construction issue and an irrevocable election to pay a penalty in lieu of arbitrage rebate has been made on or before the date the bonds were issued. The penalty is payable with a Form 8038-T for each 6-month period after the date the bonds are issued. Do not make any payment of penalty in lieu of rebate with Form 8038-GC. See Rev. Proc. 92-22, 1992-1 C.B. 736, for rules regarding the "election document."

Line 12. Enter the name of the vendor or bank who is a party to the installment purchase agreement, loan, or financial lease. If there are multiple vendors or banks, the issuer should attach a schedule.

Line 13. Enter the employer identification number of the vendor or bank who is a party to the installment purchase agreement, loan, or financial lease. If there are multiple vendors or banks, the issuer should attach a schedule.

Signature and Consent

An authorized representative of the issuer must sign Form 8038-GC and any applicable certification. Also print the name and title of the person signing Form 8038-GC. The authorized representative of the issuer signing this form must have the authority to consent to the disclosure of the issuer's return information, as necessary to process this return, to the person(s) that has been designated in this form.

Note. If the issuer authorizes in line 6 the IRS to communicate with a person other than an officer or other employee of the issuer, (such authorization shall include contact both in writing regardless of the address entered in lines 3 and 4, and by telephone) by signing this form, the issuer's authorized representative consents to the disclosure of the issuer's return information, as necessary to process this return, to such person.

Paid Preparer

If an authorized representative of the issuer filled in its return, the paid preparer's space should remain blank. Anyone who prepares the return but does not charge the organization should not sign the return. Certain others who prepare the return should not sign. For example, a regular, full-time employee of the issuer, such as a clerk, secretary, etc., should not sign.

Generally, anyone who is paid to prepare a return must sign it and fill in the other blanks in the *Paid Preparer Use Only* area of the return. A paid preparer cannot use a social security number in the *Paid Preparer Use Only* box. The paid preparer must use a preparer tax identification number (PTIN). If the paid preparer is self-employed, the preparer should enter his or her address in the box.

The paid preparer must:

- Sign the return in the space provided for the preparer's signature, and
- Give a copy of the return to the issuer.

This Flexible Consumption Schedule (the “Schedule”) sets forth the terms under which the customer identified below (“Customer”) may access and use certain Deployed Capacity from the Dell entity identified below (“DELL EMC”). Customer’s use of the Deployed Capacity is subject to the terms of this Schedule and the Governing Agreement identified below.

Effective Date: _____	Governing Agreement: Customer’s existing Master Flexible Consumption Agreement with DELL EMC dated on or about: _____
Name of Dell EMC entity (“DELL EMC”): EMC CORPORATION 176 SOUTH STREET HOPKINTON MA 01748	Name of Customer: [xxxxx] Xxxx Xxxxxxxx

1. Effective Date, Commencement Date.

1.1 Schedule Effective Date and Transaction Start Date. This Schedule expresses the current understanding of DELL EMC and Customer with regard to the Deployed Capacity listed on the Attachment 1 hereto. This Schedule, when signed by DELL EMC and Customer takes effect as of the **Effective Date** shown above.

1.2. Commencement Date. DELL EMC shall begin to monitor Customer’s usage of the Deployed Capacity for the purpose of calculating the Flexible Consumption Fee on either (i) the first day of the first month following the date the Deployed Capacity has been installed at the Installation Site, or, if Customer delays the installation process or if Customer’s facility is not prepared for the installation of Deployed Capacity, (ii) the first day of the second month following the Deployed Capacity’s arrival at the Installation Site (as applicable, the “**Commencement Date**”).

2. Listing of Deployed Capacity; Unit of Measure (“UOM”) for Software; Level of Support Services.

2.1 Deployed Capacity. The Deployed Capacity subject to this Schedule is listed on the Attachment 1 hereto.

2.2 Unit of Measure for Software. A complete description of the Unit of Measure applicable to each unit of Software listed on the Attachment 1 is contained in the Software Use Rights Guide at <https://www.dell.com/content/dam/digitalassets/active/en/unauth/manual-warranty-informations/products/data-protection/h2483-sw-use-rights.pdf>

2.3 Support Services. The following Table 2.3 specifies the level of Support Services to be provided for all Deployed Capacity during the Flexible Consumption Period.

Table 2.3 – Level of Support Services	
Support Services Level is:	XXXXXXXXXX

2.4 Support Services Terms. Support Services identified in a Schedule relating to Dell-branded Deployed Capacity will be provided in accordance with and pursuant to the following terms: <http://www.dell.com/servicecontracts/global>. Support Services identified in a Schedule relating to EMC-branded Deployed Capacity will be provided in accordance with and pursuant to the following terms: www.dell.com/dellemc-openscale

3. BILLING/METRICS, PURCHASE ORDER, FLEXIBLE CONSUMPTION PERIOD AND RENEWALS.

3.1 Billing Metrics and Flexible Consumption Period. Customer is authorized to use all or a portion of the Deployed Capacity and receive Support Services thereon only during the **Flexible Consumption Period** as described in Table 3.3 below. During the Flexible Consumption Period, DELL EMC will measure the usage of the Deployed Capacity on a daily basis and issue a monthly invoice, in arrears, to Customer that reflects the amount of average usage during the prior month. The monthly Flexible Consumption Fee for usage is based on a minimum committed amount of use (the “**Monthly Committed Capacity**”) plus any usage in excess thereof (use of the “**Monthly Reserve Capacity**”). The Metered Total Capacity, Monthly Committed Capacity and Reserve Capacity are measured by means of the following metric:

3.2 Capacities and Asset Metering. Prior to Billing, Dell EMC will provide Customer a monthly usage report, which reflects both the Metered Total Capacity of the Products and the Monthly Committed Capacity as a Percentage of that Metered Total Capacity. “**Metered Total Capacity**” means the reported capacity of the Products based upon Customer’s storage configuration in the applicable environment. Monthly reports will reflect the Metered Total Capacity of Products as reported by the asset and will scale the Monthly Committed Capacity in line with the Monthly Committed Capacity as a Percentage of Metered Total Capacity (see table 3.3). The committed Monthly Flexible Consumption Fee, the Monthly Unit Rate (Charge per GiB per Month) and the Monthly Committed Capacity as a Percentage of Metered Total Capacity remain fixed.

- 3.3 Rate, Billing Period and Flexible Consumption Fee.** Table 3.3 sets forth the Billing Period, Monthly Unit Rate, the Flexible Consumption Period and Fee for the Monthly Committed Capacity. The Flexible Consumption Fee per Billing Period is the sum of the fee for the Monthly Committed Capacity and plus the fee for the Reserve Capacity, if any, used during that Billing Period. These fees are calculated by multiplying the applicable amount of use by the Monthly Unit Rate. In no event shall the Flexible Consumption Fee for any Billing Period be less than that which would apply to the Monthly Committed Capacity. Without limiting the foregoing, Customer is responsible to pay DELL EMC the fees for the Monthly Committed Capacity in accordance with the terms and conditions of this Schedule even if Customer's actual usage is less than the Monthly Committed Capacity. If the monthly use is not greater than the Monthly Committed Capacity, no Reserve Capacity fee shall be due. If the monthly use exceeds the Monthly Committed Capacity, DELL EMC shall calculate the amount of the Reserve Capacity usage, using the Monthly Unit Rate set forth in Table 3.3 and include the amount in the next monthly invoice issued by DELL EMC. DELL EMC shall issue an invoice referencing this Schedule.

Table 3.3 – Billing Information	
Flexible Consumption Period begins on	The Commencement Date
Flexible Consumption Period duration is:	xxxxx (xx) months, but continues thereafter on a month-to-month basis until all Deployed Capacity is made available for pick-up by DELL EMC.
Billing Period	Monthly (in arrears)
Monthly Committed Capacity as a Percentage of Metered Total Capacity	Xxxx
Monthly Unit Rate (Charge per GiB per Month)	Xxxxx
Monthly Flexible Consumption Fee for Monthly Committed Capacity	Xxxxx

- 3.4 Purchase Order Requirements.** Customer's initial purchase order must specify an amount that is at least equal to the monthly Flexible Consumption Fee for the Monthly Committed Capacity multiplied by the number of months in the Flexible Consumption Period. That minimum amount of the purchase order is shown in Table 3.4 below. Customer shall pay all invoices for Flexible Consumption Fees, including, but not limited to, those that contain charges for use of Reserve Capacity, regardless of whether or not such amounts exceed the amount of Customer's purchase order(s) issued to DELL EMC in connection with this Schedule. If DELL EMC reasonably determines that the amount of Customer's original purchase order will not cover the actual Flexible Consumption Fee, then DELL EMC will notify and discuss the situation with Customer. Upon agreement on the additional funds, Customer shall promptly issue a related purchase order for that additional amount.

Table 3.4 – Purchase Order Amount	
Customer Purchase Order amount is:	\$X,XXX,XXX

- 3.5 Increasing Monthly Committed Capacity/Flexible Consumption Period.** During the Flexible Consumption Period, Customer may increase (i) its Monthly Committed Capacity; or (ii) both the duration of the Flexible Consumption Period and the Monthly Committed Capacity at the applicable Monthly Unit Rates stated in Table 3.5 below. To do so, Customer must agree to the increase in an amendment to this Schedule. When DELL EMC and Customer have agreed on the increase, DELL EMC shall prepare and send an amendment to Customer using the pricing in Table 3.3. The parties shall indicate their acceptance by signing the amendment and DELL EMC shall invoice Customer based on the new pricing pursuant to the amendment. When extending the duration of the Flexible Consumption Period, the revised duration continues to be measured from the original Commencement Date of the Flexible Consumption Period. If the duration of Flexible Consumption Period was thirty (36) months and the amendment adds six (6) months, then the new Flexible Consumption Period is a total of forty-two (42) months, beginning on the original starting date. The revised Monthly Unit Rate commences on the first day of the first month following the month in which the amendment becomes effective. In no event shall the amendment have any retroactive effect.

70%	\$ -	\$ -	\$ -
60%	\$ -	\$ -	\$ -

- 3.6 Renewal and/or Month-to-Month Extension.** Prior to the expiration of the applicable Flexible Consumption Period, Customer shall notify DELL EMC that Customer no longer wishes to use the Deployed Capacity. Customer shall completely migrate its information and data off of the Deployed Capacity and establish a mutually convenient date, coinciding with the end of a Billing Period, when the Deployed Capacity will be returned to DELL EMC. However, until Customer notifies DELL EMC that Customer has removed its data

and the Deployed Capacity has been returned, Customer shall continue to pay the then currently applicable Flexible Consumption Fee on a month-to-month basis. In order to implement a new agreement, Customer must issue a new purchase order that complies with the requirements of the new agreement. Customer agrees to pay all charges incurred on a month-to-month extension regardless of whether or not it has issued a purchase order to DELL EMC.

4. DELIVERY, INSTALLATION AND IDENTIFICATION.

4.1 Delivery. DELL EMC shall deliver all Deployed Capacity to the "Ship-To" address stated in Table 4.3 below. Where Software is provided in a form that is embedded on the Equipment, DELL EMC will enable any required license keys (meaning information needed to enable activation and use of the Software) by electronic means.

4.2 Deployment Services. Deployed Services, subject to this Schedule, are listed on the Attachment 1 hereto. Other services, may be made available under a separate contract signed by the parties.

4.3. Shipment and Installation Site(s).

5. Miscellaneous. Unless otherwise set forth above, the terms and conditions of the Governing Agreement shall apply to, and shall be considered incorporated into, this Schedule. The terms and conditions in this Schedule are deemed to be confidential information in accordance with the Governing Agreement. In the event of the assignment of this Schedule by DELL EMC, the assignee shall have all DELL EMC's rights hereunder, but none of its obligations, and upon receipt by Customer of written notice of any such assignment, Customer shall make all Flexible Consumption Fee payments thereafter becoming due under any assigned Schedule to such assignee, and in regards to the Committed Capacity portion of that Fee, without regard to any set-off, defense or counter claim that Customer may have against DELL EMC or any third party. 10. TERM; APPROPRIATION OF FUNDS; EVENTS OF DEFAULT; REMEDIES.

A. Master Agreement Term. This Master Agreement commences on its Effective Date, and unless otherwise terminated as set forth below, shall terminate for convenience when a party sends written notice of termination, which notice shall become effective forty-five (45) days after receipt thereof. Such termination shall not terminate any Schedule already in effect at the time thereof and shall not impact any renewal provisions of such Schedules. Any provision that by its nature or context is intended to survive any termination or expiration, including but not limited to provisions relating to payment and liability, shall so survive. Unless earlier terminated pursuant to its term, each Schedule shall commence and expire in accordance with its terms.

B. Appropriation of Funds.

The parties intend that the obligation of Customer to pay the Monthly Flexible Consumption Fee and other amounts due under a Schedule constitutes a current expense of Customer and is not to be construed to be a debt in contravention of any applicable constitutional or statutory limitation on the creation of indebtedness or as a pledge of funds beyond Customer's current Fiscal Period.

(ii) Customer may terminate a Schedule in whole, but not in part by giving at least sixty (60) days notice prior to the end of the then current Fiscal Period (as defined in the Customer's Secretary/Clerk's Certificate or other such documentation as reasonably requested by and provided to DELL EMC) certifying that: (1) sufficient funds were not appropriated and budgeted by Customer's governing body or will not otherwise be available to continue the Schedule beyond the current Fiscal Period; and (2) that Customer has exhausted all funds legally available for payment of the Monthly Flexible Consumption Fee beyond the current Fiscal Period. Upon termination of the Schedule, Customer's obligations under the Schedule (except those that expressly survive the end of the Flexible Consumption Period) and any interest in the Deployed Capacity shall cease and Customer shall surrender the Deployed Capacity in accordance with Section 3.F and/or if requested by DELL EMC, assemble the Deployed Capacity in a single location designated by DELL EMC granting DELL EMC the right to enter the premises where such Deployed Capacity

Customer shall be responsible for the payment of the actual documented price of any component(s) of the DELL EMC Deployed Capacity not returned by Customer and for any damage to the DELL EMC Deployed Capacity beyond normal wear and tear. DELL EMC shall take reasonable steps to protect Customer Data for thirty (30) days after recovery of Deployed Capacity under this Subsection B.

(iii) Notwithstanding the foregoing, Customer agrees that, without creating a pledge, lien or encumbrance upon funds available to Customer in other than its current Fiscal Period, it will use its best efforts to take all action necessary to avoid termination of a Schedule, including making budget requests for each Fiscal Period during each applicable Flexible Consumption Period for adequate funds to meet its obligations hereunder and to continue the Schedule in force.

C. Events of Default. Notwithstanding Customer's rights under Section 10 B. to non-appropriate, the occurrence of any of the following in connection with the MFCA, any Schedule, or any amendments to either of the foregoing documents, shall constitute an Event of Default: (i) Customer shall fail to pay the Monthly Flexible Consumption Fee within thirty (30) days of its due date; (ii) Customer shall fail to perform any provision, covenant, condition or agreement, and such failure shall continue for thirty (30) days after notice thereof; or (iii) bankruptcy, receivership, insolvency, reorganization, dissolution, liquidation, or other similar proceedings shall be instituted by or against Customer or all or any part of its property under the Federal Bankruptcy Code or other law of the United States or any state or jurisdiction in which Customer is organized, and it shall consent thereto or shall fail to cause the same to be discharged within sixty (60) days.

D. Remedies. If an Event of Default shall occur, DELL EMC may exercise any one or more of the following remedies: (i) immediately terminate any or all Schedules; (ii) by notice in writing to Customer, declare immediately due and payable, and Customer shall be obliged to pay immediately, (1) all past due Monthly Flexible Consumption Fees and other past due amounts plus (2) as the parties agreed upon pre-estimate of damages and not a penalty, all Monthly Flexible Consumption Fees for the Monthly Committed Capacity for the remainder of the Flexible Consumption Period with clause (2) being discounted to present value using the discount rate of the Federal Reserve Bank of Chicago on the Commencement Date of the applicable Schedule and (iii) require Customer to Return any or all Deployed Capacity as provided in Section 3G and/or if requested by DELL EMC, assemble the Deployed Capacity in a single location designated by DELL EMC granting DELL EMC the right to enter the premises where such Deployed Capacity is located for the purpose of repossession; free from all claims by Customer; provided

that the parties shall reasonably cooperate to enable Customer to migrate and erase its data and for DELL EMC to recover such Deployed Capacity. Customer shall be responsible for the payment of the actual documented costs and reasonable attorney's fees incurred by DELL EMC in retaking possession of the Deployed Capacity and/or seeking to recover amounts due. DELL EMC shall take reasonable steps to protect Customer Data for thirty (30) days after recovery of Deployed Capacity under this Subsection D.
